CUT-OFF TIME AND CREDIT TO YOUR ACCOUNT

Deposits received prior to 5:00 pm (MST) on a business day the Credit Union is open will be credited to your account on the same business day. Deposits received after 5:00 pm (MST) or on any day the Credit Union is not open, including holidays, will be credited by 5:00 pm (MST) on the next business day.

FUNDS AVAILABILITY

Our policy is to make the first \$200 in funds from an image of an item you submit through the Service available to you on the first (1st) business day after the day we receive your deposit. The remainder of your funds will be available on the second (2nd) business day after we receive your deposit. If we are not going to make all of the funds from your deposit available on the second (2nd) business day, we will notify you after we receive your deposit. If you will need the funds from a deposit right away, you should ask us when the funds will be available.

REQUIREMENTS OF CHECKS TRANSMITTED

Prior to scanning a check, you must add your signature endorsement and your Credit Union account number to the back of the check, or as otherwise instructed by the Credit Union. You agree to follow any and all other procedures and instructions for use of the Service as the Credit Union may establish from time to time.

You must provide the Credit Union a complete, legible and accurate image of the front of the check showing the name of the drawer/payor and signature(s), the paying bank's pre-printed information, MICR encoded information, the name of the payee and the payment amount information.

DEPOSIT LIMITATIONS

All deposits are subject to later verification by us. We may return or refuse to accept all or any part of a deposit to your Account using the Service at any time and will not be liable for doing so even if such action causes checks or other debits to your Account to be dishonored and returned.

The Credit Union does not have a daily dollar aggregate limit per account. The Credit Union reserves the right to impose limits on the amount(s) and/or number of deposits that you transmit using the services, and to modify such limits from time to time.
